There is no objection to this

The DI has stated that in making selections for higher appointments, merit, special aptitude and capacity in other directions, have been taken into consideration

The name of Mr K Narasimha Iyengar (pay Rs 100 + allce of Rs 50 + Rs 20), Agricultural Assistant in the Hessarghatta Normal School, does not appear in the roll of nominations Perhaps in pursuance of the orders revising the Normal institutions the DI will consider his case

31 The Head-master's place in the Bangalore A—V School on 75-10-125 has been left-out of account in making nominations to the appointments of that grade

32 General of the proposals involve additional Expenditure as many people already drawing more than the maximum of the respective grades have been shown against such grades j e g several people getting Rs 210 are placed against the grades of Rs 175— + ~~of~~ Rs 150 Under the orders sanctioning the revision of the grades the officers are given the option to retain their old grades but as the arrangement involves add exp Rs-II may have to be consulted

39 There are several representations from individual officers pending before Govt which have been left over for consideration when dealing with this file Brief notes have been put up summarising their cases & orders have to be passed about them

40 I would also submit a suggestion that Govt may take this opportunity to institute a few (3 or 4) personal allowances, say 2 on 50-10-100 & 2 on 100-10-150 to be granted to Asstt Professors & Head Masters who may do very good work, but who may have no prospect of promotion to higher appointments for no fault of their own. to the grade of 700-1000 is rather a difficult one. We shall be obliged to give 500-1000 to European professors directly recruited from England & we shall probably be able to get Indians with European University qualifications for 400-700 to start with. There will also be some ~~India~~ professors locally recruited on 400-700. To meet the claims of these gentlemen to higher pay & prospects we may keep 3 supernumerary places on Rs 700-1000 open to men on 400-700 Rs, the promotion to be given only in cases of distinguished work, capacity for research & original work &c, and not in seniority

Subject — Allocation of Educational Officers in the Revise Grades

These proposals are suitable and may be passed -

(1) The Inspector General of Education has submitted proposals concerning the placing of the various officers of the Department in the different classes and grades sanctioned in Government Order No 5590—2/ Edn 82-12-4 dated 30th December 1943 . The statements sent up by him are drawn up with discrimination and the proposals as a whole deserve to be approved The following alterations seem to me to be desirable and may be made -

(2) Among Assistant Professors Mr B L Srikantaiya is put in for a place of 350 Rs He and Mr Hiriyanna were both put into the grade of 200-300 Rs on the same day but Mr Srikantaiya has got 300 Rs before Mr Hiriyanna as his increments were 20 Rs instead of 15 Mr Hiriyanna is an M A and L T and Mr B L Srikantaiya M A and B L In total service Mr Hiriyanna is about 16 years senior and though Mr Srikantaiya is more popular with the students I believe both are equally or almost equally good in work and attainments I think that Mr Hiriyanna

Members of Selection Grade Professors Mr B L S

Lariyanna should get 350 Rs and Mr Srikantaiya remain on 300 Rs

(3) Mr Venkatesachar has some just complaint about his being superseded by certain other officers but as it cannot be set right now by placing him above them he may be given one more increment than what the Inspector General has recommended and -- started on 260 Rs

(4) Mr B K Srinivasa Iyengar is proposed to be kept on - 175 Rs He has been in the grade of 100-210 since 1905 and has all along been an Assistant Profe---- His qualifications are in no sense inferior to those of any other Assistant Professor In fact they are superior to many he has taken the B A Degree in the First Class in two Branches Matheratics and Physics and is an M A in one of them His only misfortune is that he did not hold out for better terms when he started There are however no vacancies in the 300 Rs grade So he may be put into that grade as a supernumerary man and started on 200 Rs

Among Demonstrators Mr Sampatkumaran is proposed for 150 Rs and Mr Karunakaran Nayar for 75-5-125 They are both in the same branch but the latter has lately taken his I A Degree and had a very creditable career before that in his College course Mr Sampatkumaran has failed in the I A Examination I propose that Mr Karunakaran Nayar be put on 150 Rs and Mr Sampatkumaran in the grade of 75-125 and given the maximum pay

19/8

(5) Among Head Masters Mr Krishna Iyengar is proposed - to be permanently placed on 260 Rs in the grade of 200-300 and to be given 350 Rs sub-pro-tem in place of Mr K Venkataswami Iyer seconded Mr V Subramanya Iyer who is next in rank is also placed on 260 Rs in the same grade I propose that both -- these may be given the maximum of 300 Rs permanently It will mean no additional cost in the case of Mr Krishna Iyengar as he is to get 350 Rs spt in the higher grade In Mr V Subramanya Iyer's case he deserves special recognition as he is in charge of the largest school in the State and has been doing successful work

(6) With these few alterations the proposals of the Inspector General may be sanctioned, as agreed to by all the Members of the Council

(7) The order of Government was passed on 30th December 1913 and the matter had been pending for a considerable time before that The new scale may therefore be given effect to from 1st January 1914

55 (1) On the 30th December 1913 Government issued orders revising the scales of pay of the members of the Education Department, and proposals were called for from the Inspector General of Education for placing the existing officers in the new grades

(2) The Inspector General of Education accordingly submitted certain recommendations with his letter dated 14th May 1914 They have received careful consideration at the hands of the First Member and the final recommendations made by him have also been discussed in Council

(3) In connection with this question the memorials and representations submitted from time to time by certain officers of the Education Department regarding their claims to promotion or other special treatment have also been taken into consideration

(4) The proposals made by the Inspector-General of Education are generally sound A few necessary modifications have been indicated in the Final Note by the First Member of Council It is proposed to give effect to these proposals from 1st January 1914

(5) There are two other questions raised in the memorials of the officers which have to be finally decided by Government, viz., how to adequately improve the prospects of the Professors in the grade of Rs 400-700, and similarly those of Head Masters, Assistant Professors and Deputy Inspectors on Rs 350 The First Member has prepared a note on this subject which will be further dealt with and submitted separately for orders

(6) This question has been under consideration and

From Rao Bahadur
M SHAMA RAO Esq M A
Inspector General of Education in Mysore

To
C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness
the Maharaja of Mysore Departments of Education &c

SIR

With reference to Government Order No 6590-2/Edn 82-12-4 dated 30-12-1913 sanctioning the revision of the pay of Educational Officers I have the honour to submit for the sanction of Government proposals for grading the existing members of the establishments of Colleges High Schools Direction and Inspection In making the selections for higher appointments merit special aptitude and capacity in other directions have been taken into consideration In proposing increments to certain Officers the period during which they have been drawing the maximum pay of their grades has been taken into account and generally one increment has been allowed for every two years of such service and in some cases a part of the increment has also been allowed to adjust the scale of increments As the revision of the establishments of the Maha-

Maharani's College and the Mysore Normal School has not yet been sanctioned by Government, the claims of the members of these establishments have also been taken into account so that they may not be superseded by their juniors working in High Schools Their names have been entered in the lists to show their position and pay in the general gradation list, but such members will continue to work in their own places until further orders After the revision of the Maharani's College and the Mysore Normal School is sanctioned, it will become possible to prepare a general gradation list of all Educational Officers in the Department The names of Officers in grade Rs 50-4-70 whose appointment rests within the powers of the Inspector General, have been shown in the statements for reference Separate proposals have been sent up in cases where transfers are necessary both in the interests of service and in the interests of those concerned Under Inspectorate, as none of the District Inspectors in grade Rs 200-300 are sufficiently high in their scale at present to be promoted to the two places on Rs 350 which are temporarily vacant, these places have been shown as vacant and instead two appointments have been added temporarily to the grade of Rs 200-300

I recommend that Government may be pleased to sanction early the proposals made in the accompanying statements for grading the present members of the various establishments with effect from 30th -- December 1913, which is the date of the Government Order sanctioning the re-organization

I further recommend that all appointments of Officers of and and above the grades of Assistant Professors of Colleges Head Lasters of High Schools and District Inspectors may be made Gazetted appointments

Revised form of qualification reports referred to in para 7 of the Government Order quoted above will be sent up shortly

I have the honour to be

Sir

Your most obedient servant

I am sending herewith for your ~~information~~ perusal & kind return the draft order regarding the allocation of Educational Officers in the new grades and the statements to be appended to that order

May I request you to kindly have the statements looked over by your Office & let me know if they are ~~Statements~~ correct? The only alterations made by Govt are the promotion of Mr Hariyanna to Rs. 350 instead of Mr B M

D O No 501

Dear Mr Nanjundayya

Your letter of yesterday regarding the continuance of local allowance of Rs 50 to Mr Ramaswamaiya As Deputy Inspector of Schools his pay has been raised to Rs 350 and he has no inducement to continue in his present appointment The future incumbents of course lose the local allowance but I think that in the case of Mr Ramaswamaiya who has been getting it it ought to be continued I find it difficult to retain him in the office without the allowance and a proper substitute

GIB— 0 000—1 12 1

substitute is not easily available

Yours sincerely,

C. Shanmukha Rao.

I think the local
allce may be
continued.
